Production of pellets

Consider a companion (with investors) for the production of pellets. Export-oriented enterprise. There is a building of its own 3600 m2. To Kiev - 100 km, Chernigov region, Ukraine. Ideal for the production of pellets.

There are several large customers (up to 10, 000 tons per month).

At Chernigov region are well developed wood processing plants and other raw materials.

From the building to the border with Poland - 600 km to the border with Hungary - 800 km. Near Railway (3km).
